June 2022-September 2022

Bachelor of Arts, Mathematics

University of North Carolina Charlotte, NC

May 2015

PROFESSIONAL EXPERIENCE

High School Math Teacher

Durham County Schools

August 2020- June 2022

- Instruct various levels of mathematics through self-paced learning and reverse classroom models
- Led synchronous and asynchronous remote instruction via Zoom and Learning Management Systems
- Math 1 Professional Learning Community team lead and 21/22 Beginning Teacher of the Year

Brand Ambassador

Counter Culture Coffee, Durham NC

November 2018- August 2020

- Acted as the main support for Counter Culture's Grocery Department through brand promotion and customer advocacy
- Collected retail data and connected with grocery staff to gauge brand awareness percentage at each account in my given region

Equipment Technician/ Roaster

Larry's Coffee, Raleigh NC

January 2017- November 2018

- Visited wholesale customers to support with staff training, equipment maintenance, and product implementation
- Sourced, sampled, and developed roast profiles for new specialty coffees to serve under the retail brand

High School Math Teacher

Charlotte-Mecklenburg Schools

August 2015- July 2016

- Planned, implemented, and managed three 90-minute blocks per day with class sizes averaging around 30 students each
- Worked with students, parents, and school administration to ensure students received valuable educational opportunity

UNDERGRADUATE EXPERIENCE

Service-Learning Expedition in Bolivia

Venture UNC Charlotte, NC

Summer 2015

- Lived in close community as an expedition team to explore culture, complete service projects, learn mountaineering and backcountry travel skills, and summit a 6000 meter peak
- Goals included team building, leadership development, character formation, and enhanced cross-cultural competence

Rock Climbing Instructor and Outdoor Adventure Trip Leader

Venture UNC Charlotte, NC

Fall 2014- Fall 2015

- Taught foundational rock climbing and backcountry skills to individuals and diverse groups of UNC Charlotte students
- Guided the learning process toward implementing the Venture mission of engaging people in meaningful and challenging experiences to build character, leadership, community involvement, and environmental awareness.

Undergraduate Instructional Assistant (Woodshop Lab)

Appalachian State University, Boone NC

August 2012 – May 2013

- Supervised students who came into the woodshop to use tools and machines for their product design projects
- Cleaned and maintained all woodworking tools and heavy machinery
